CAMBRIDGE

INTERNATIONAL EXAMINATIONS

What is Cambridge?

Cambridge is

- **the world's largest provider of K – 12 international education programs**
- **used in 160 countries by over 9000 schools in a global learning community**
- **part of England's renowned and prestigious University of Cambridge**
- **recognized world-wide for high standards, high quality and academic rigor**

CAMBRIDGE

INTERNATIONAL EXAMINATIONS

Cambridge Primary (grades 1-5) and Secondary 1 (grades 6-8) provide students with

- **a curriculum framework for English, mathematics and science**
- **a stimulating environment for learning**
- **a flexible format that complements the existing M-DCPS curriculum**
- **external, international benchmarks that allow teachers to measure student progress**
- **content that is sensitive to cultural diversity**

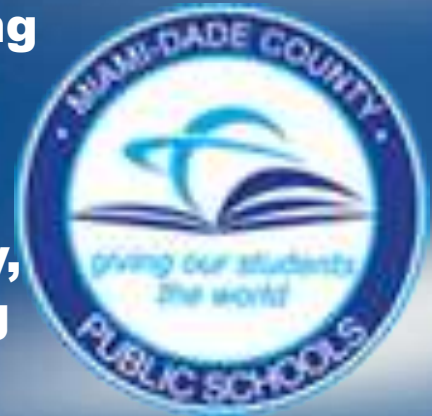

CAMBRIDGE

INTERNATIONAL EXAMINATIONS

Cambridge frameworks for Primary and Secondary 1

- **English curriculum includes phonics, spelling and vocabulary, grammar and punctuation, reading, writing, and speaking and listening**
- **Math curriculum includes number, geometry, measure, handling data and problem solving**
- **Science curriculum includes scientific inquiry, biology, chemistry and physics**
- **High school math and science courses are available for acceleration in 7th and 8th grades**

CAMBRIDGE

INTERNATIONAL EXAMINATIONS
